

Selfmed

Head Office & Nelspruit Branch

27th March 2007

Dear Louise, (Nelspruit Branch)

Thank you so much for letting me know about Chronicare Medicines, their service is excellent. Chronicare has to be the best move that Selfmed has done, It has helped me tremendously with the levies that I used to pay at [REDACTED] Chemist which were exceptionally high but I had no other choice but to pay them, as my husband had to take his medication. I am sure that Chronicare will grow from strength to strength and help the people receive their chronic medication at a reasonable price.

THANK YOU ONCE AGAIN LOUISE YOU ARE A STAR.

Regards,

M. Athienides. (4[REDACTED]86)
